PART FIVE - TRANSPLANT FUNDRAISING PROGRAM SELECTIONS

Please choose ONE type of account. You must have a fundraising account held at GTF to be eligible for this program.

☐ MATCHED ACCOUNT
- Funds raised within one (1) year of acceptance into the Program are matched up to a maximum of $10,000.
- Must be accepted into the Program pre-transplant.
- Funds are limited to $1,000 for non-prescription medication costs.
- Medical insurance premiums are not subject to $1,000 limit.
- GTF charges a 3% administrative fee for each deposit made to the account.

OR

☐ UNMATCHED ACCOUNT
- Eligible to apply pre- or post-transplant.
- Funds are available for reasonable pre- and post-transplant expenses.
- Expanded limits on non-prescription medication transplant-related costs.
- GTF charges a 3% administrative fee for each deposit made to the account.

PART SIX - PHARMACY OPTIONS

Please choose ONE pharmacy option.

☐ I _________________________________(full name) choose to use the direct billing process for my post-transplant prescription medications. Prescription medications are supplied by a GTF-approved pharmacy. This process will allow the GTF-approved pharmacy to bill my insurance, Medicare or Medicaid for the cost of my post-transplant prescription medications. The balance or co-pay will then be directly taken from my TFP account. This process will allow me to have my fundraising account directly billed so that I do not have to pay upfront for my prescription medications. It is my responsibility to notify my transplant center that I have chosen this option at the time of transplant. It is my responsibility to monitor this billing process by contacting the pharmacy directly as needed.

☐ I _________________________________(full name) do not choose to participate in Direct Billing with any of the Georgia Transplant Foundation’s partner pharmacies at this time. I understand that this choice means that I will have to pay for my prescriptions out of pocket at time of refill and be reimbursed from my TFP account at a later time.

PART SEVEN - REQUIRED AUTHORIZATION

MANDATORY: In addition to yourself, please identify who is authorized to handle your financial affairs. This person can be a spouse, relative, or a friend, but will be the only person GTF will discuss your fundraising account with.

Please sign your initials next to each statement to indicate that you understand the following:

__________ I understand that if my application for a MATCHED/UNMATCHED account is approved, GTF charges a 3% administrative fee for each deposit made into my account.

__________ I understand that if my application for a TFP fundraising account is approved, I will be reimbursed and matched AFTER I receive my transplant, once I begin to buy/pay for my post-transplant prescription medications and/or approved post-transplant related expenses and medical insurance premiums.
